## Class Setup

- Three glorious days a week of lecture
- Grading
- Where to find class information
- Submitting your work
- TA :

## How is This Class Going to Work?

- Unfortunately lots of me talking
- PowerPoints!
- Recording of Lectures
  - New System in place this semester
  - Can have fun with the closed captioning
- Homework
- Tests

## Test Procedure

- We have 4 exams this term
  - Change from previous semesters
  - Note : There is no “final” in this course
- Dates are pretty fluid right now
  - I will give you about a weeks notice
- Will keep my standard one day of review before the test
  - Rules for Review
- Test format
